Kindergarten and First Grade
Technology Enrichment Class

Everyday Keyboarding (Monday's 2:30-3:45 p.m.)

Class begins January 22, 2018

Students will work on improving their keyboarding skills as well as learn shortcuts using the keyboard. **This class is for students in kindergarten and first grade only**. Class size is limited to 20 students.

Please provide a snack for your child on their technology day.

My child, _____ , has permission to be a part of the Aragon Alligator After School Technology Program. I understand that I must provide transportation home and will pick up my student at 3:45 on his/her technology day.
